It seems that you are looking for land for sale for a real estate project in a strategic location ideal for a developer. The land appears to be under development and could be suitable for long term medium term or short term investment. It is mentioned that the land can potentially accommodate a building with a height of up to four floors R 4 .

Strategic location Ensure the location of the land is attractive in terms of accessibility local amenities real estate market demand and future urban development. Areas under development or close to economic centers tend to be more attractive.

Development potential Check local planning regulations to understand what type of development is permitted on the land. Land allowing construction up to R 4 offers significant development potential.

Possibility R 8 if development plan is accepted
