Περιγραφή:

The plot has an approved project (PIP) to build a contemporary, high-end villa, carefully designed to maximize natural light, privacy, and integration with the surrounding landscape.

The design features modern architecture with elegant lines and large glazed windows and doors that maximize natural light, privacy, and stunning sea views. The planned outdoor areas include a swimming pool, a landscaped garden, and an al fresco dining space.

The villas layout is both functional and sophisticated, featuring: A spacious open-plan living area with an integrated kitchen. Four en-suite bedrooms, each with access to a private terrace. An independent annex, perfect for guests, a home office, or rental income. A generous three-car garage and additional storage room.

With its premium location and approved PIP, this project offers a unique lifestyle where modern design blends harmoniously with the landscape. A true gateway to the very best the Algarve has to offer. - REF: 1009-2406
