Περιγραφή:	Cabrera Villa Development

Perched in the lush green hills of Cabrera, this exclusive new residential villa development offers a rare opportunity to own a piece of paradise overlooking the sparkling Ocean. The Cabrera Villa Development features a limited collection of elegant villas and spacious home sites, each thoughtfully positioned to capture breathtaking ocean views and refreshing Caribbean breezes.

The development combines privacy, nature, and modern comfort in one of the Dominican Republic's most charming coastal towns. Residents enjoy a tranquil hillside setting surrounded by rolling countryside, coconut palms, and dramatic ocean views. Only minutes from Cabrera's pristine beaches, restaurants, and local amenities.

Each of the six villas is designed with contemporary tropical architecture, featuring open living spaces, large terraces, and seamless indoor-outdoor living. Expansive windows frame the panoramic ocean views. Private pools, landscaped gardens, and generous outdoor entertaining areas create the perfect setting for relaxation and entertaining.

The gated community will offer carefully planned infrastructure including paved roads, underground

utilities and reliable water supply. Security ensuring both comfort and peace of mind for homeowners.

Located along the increasingly sought-after north coast, the development is just a short drive from the famous beaches of Playa Grande, Playa Diamante, and the renowned Playa Grande Golf & Ocean Club.

Whether as a primary residence, vacation home, or investment property, this ocean-view villa development in Cabrera offers a unique blend of natural beauty, exclusivity, and Caribbean lifestyle.
