Περιγραφή:

Seafront. Unique terrace. Absolute light.

On the first line of Praia dos Aveiros, this recently refurbished apartment offers a rare combination: permanent sea views, exceptional luminosity and a truly differentiating terrace.

The interior was designed to enhance the entry of natural light and the connection to the outside. The living room extends to a balcony with an open view over the Atlantic, creating a fluid and engaging environment. The recent refurbishment has brought a contemporary, clean and functional aesthetic, ready to move in.

The highlight is the terrace spacious, private and with a direct relationship with the sea ideal for leisure time, outdoor dining or simply to slow down with the sound of the waves as a backdrop.

Located in a quiet area, but within walking distance of shops, restaurants and services, it allows you to enjoy a lifestyle balanced between privacy and convenience.
