Περιγραφή:

This new development currently under construction, located in the city of Quarteira, represents an excellent opportunity for those who value comfort, functionality, and a central location. Scheduled for completion in September 2026, it combines contemporary architecture with solutions designed for everyday living.

The apartments have been designed to offer a high level of quality and well-being, featuring air conditioning, double-glazed windows, electric shutters, private terraces, built-in wardrobes, and fully equipped kitchens. The development also includes a lift and outdoor parking, ensuring convenience and security.

The location is one of its key strengths. Set in an area with a wide range of essential services within walking distance including supermarkets, schools, pharmacies, and public transport it allows for a practical and efficient urban lifestyle.

Just 1 km from the beach and within short walking distance of shops and restaurants, this development benefits from a strategic position that balances tranquillity with proximity to key leisure and convenience
