Περιγραφή:

Within an historic stone hamlet close to Radda in Chianti city walls, for sale traditional ground floor apartment to tailor. Great opportunity for a gate-away in the heart of Chianti Classico, within one of the most iconic medieval towns, just 25 minutes north of Siena. In the Chianti Classico hills, lies a lovely architectural canvas awaiting a discerning hand. Situated a mere stone's throw from the storied walls of Radda in Chianti, this 18th-century ground-floor residence is nestled within a quintessential stone hamlet, providing an enviable retreat for those seeking a pied-à-terre just twenty-five minutes from the medieval city of Siena. The interior, spanning a generous 106 square metres, serves as an evocative testament to traditional craftsmanship, where the air feels cooled by thick, historic masonry and the soul of the home is anchored by a commanding fireplace. Exposed timber beams, terracotta floors, and original brick arches, follows a simple, rectangular layout that invites a bespoke reconfiguration. The existing blueprint accommodates a kitchen, living area, and two bathrooms, and potential up to three-bedroom. A well-maintained shell in need of creative "decoration" and formal residential conversion. Authenticity is the hallmark of this Radda retreat, where the convenience of a reserved off-road parking space meets the romantic isolation of a rural hamlet. It is a dwelling within one of Italy's most iconic landscapes, to be transformed into a historic fragment into a contemporary masterpiece of Chiantigiana living.
