Περιγραφή:

Set within the ancient walls of the former chateau of Roujan, this stunning 200 m2 period home with five bedrooms has been beautifully renovated, blending contemporary elegance with the authentic charm of history.

From the moment you enter, you feel the calm and refined atmosphere of the house. The rooms are spacious and filled with natural light, and every detail reflects the high quality of the renovation — insulated walls, full double glazing, a new roof (2014), impeccable finishes, and modern comfort throughout.

The layout offers five generous bedrooms and three stylish bathrooms, providing all the space needed for family and guests to enjoy life together in harmony. Wide staircases, bright rooms, and a smooth flow between spaces create a wonderful sense of ease and serenity.

Tucked away in a peaceful courtyard, just a few steps from Roujan's main street, the location is ideal: all amenities are within walking distance, yet the setting remains perfectly quiet.

A rare find where history, space, and modern comfort come together in perfect harmony.

Information on the risks to which this property is exposed is available on the website Georisques
