Περιγραφή:

Newly built commercial premises for sale in Lluçmajor, located in a quiet and strategic area close to the main street, surrounded by cafes, restaurants, shops and a small shopping centre.

The premises have a direct entrance at street level, large windows that provide abundant natural light and a spacious and open interior space, ideal for different types of professional or commercial activity.

The floor is covered with non-slip natural stone, a durable material that is highly valued in local architecture. The bathroom is spacious and adapted for people with reduced mobility. One of the most attractive features of this property is its private patio with outdoor terrace, this space can become a pleasant corner to enjoy a coffee break, a small rest space or even an area for customers.

The other part of the courtyard preserves natural soil with earth and wild vegetation, creating a small green oasis where it would be possible to plant fruit trees or other natural elements that bring character and tranquillity to the space.

The premises also have new hot/cold air conditioning, completely new electrical installation and water intake in the patio for irrigation or other uses.

LOCATION - LLUCMAJOR

Llucmajor is one of the most characterful municipalities in the south of Mallorca. It retains the charm of a traditional Mallorcan village, but at the same time offers all the necessary services for daily life: shops, local markets, restaurants, cafes, banks, schools and medical centres.

Thanks to its strategic location, Llucmajor is only about 15 minutes from Palma airport and approximately 20 minutes from the centre of Palma, making it a very well connected location.

In addition, the area offers easy access to some of the most beautiful coves and beaches in the south of Mallorca, as well as golf courses and natural areas.

A location that combines quality of life, tranquillity and good commercial development opportunities.
