Περιγραφή:	

This large 659m² urban building plot is situated in the village of Alomartes in the heart of Illora in the province of Granada, Andalusia, Spain. Located in an elevated position with commanding views over the town and to the countryside beyond. You enter the site from a drop kerb as the plot runs along the side of a pavement and a quality road so utilities are close by. The site already has boundary walls and is ideally suited to erect 2 large imposing properties, each with those spectacular, far-reaching views.
