Περιγραφή:

Étagnac, ideal house to renovate with building land. The agricultural land surrounding the house includes animal sheds and a well. The house was built in the 1960s. On the ground floor are a kitchen with a fireplace, a living room, another room, a boiler room and a laundry room, as well as three bedrooms. A garage is attached to the house. The owners own two building plots on the property. Ideally located near Chabanais and Saint-Junien, it's a good investment.
