Περιγραφή:

For sale newly built villa with modern architecture situated close to Split. The villa is made cascadelly, and is located on a gentle slope which gives it a beautiful view of the sea and the surrounding area. Villa has three floors connected by internal staircase. The ground floor has a spacious living room with kitchen and dining area, wardrobe, additional storage, guest toilet and a spacious covered terrace overlooking the sea. The first floor includes four comfortable bedrooms with bathrooms and two dressing rooms. On the upper floor of the villa there is a toilet, pantry and a large living room with lots of daylight from where you exit to a covered terrace of 22 m2, as well as access to an open terrace of 37 m2. Both offer panoramic views of the sea and the surrounding area. In the basement of the villa there is a garage and storage. The urban garden is nicely maintained, while Mediterranean plants are planted in the garden. In addition, the garden also has an outdoor fireplace, swimming pool with sun deck and outdoor shower and outdoor uncovered parking. Quality materials were used in the construction, taking care that the villa fits into the environment. The house is fully air conditioned, completely equipped with modern furniture and new appliances. It provides its future owner with comfort, complete privacy while enjoying amazing views of the sea, islands and sunset. Infrastructure: water, electricity, paved access road, septic tank.

Additional information about the facility, its exact location and sightseeing is possible after signing a brokerage agreement with the agency that is in accordance with the Data Protection Act and the Real Estate Brokerage Act.
