Περιγραφή:	

Two exclusive newly built villas with sea view are for sale. They are located in a small coastal town on the island of Korčula, just 50 meters from the crystal clear sea and a beautiful pebble beach. Each villa has four floors connected by a combination of internal and external stone stairs. On the ground floor there is fitness, wellness with sauna and gym. On the same floor is also a garage. The first floor can be reached by stairs that pass through the garage or by external stairs. This floor is equipped with three spacious bedrooms and two large bathrooms. Each room has access through glass walls to an open terrace with an outdoor massage tub and a wonderful view of the sea. On the second floor is an open-concept living room with lots of natural light, a kitchen and a dining room. The living room opens up to the terrace where you can relax, from where you can enjoy beautiful views of the sea, the surroundings and the sunset. The last floor includes a roof terrace with a heated infinity pool and barbecue. On the roof terrace there are several smaller green areas that help create a special atmosphere while you enjoy the panoramic view. The villas are surrounded by a stone wall and are surrounded by planted greenery. Villas provide complete luxury and privacy at the same time with many different included facilities. During the construction, only the highest quality materials and top technology were used, while the interior is tastefully furnished with new modern furniture with a touch of elegance.

Infrastructure: water, electricity, septic tank, paved access road.

Villas are being sold exclusively as a package, it is not possible to buy only one villa.

Additional information about the facility, its exact location and sightseeing is possible after signing a

brokerage agreement with the agency that is in accordance with the Data Protection Act and the Real Estate Brokerage Act.
