Detached house with seven apartments, fully equipped and intended for tourism.

A large, cascading garden with many terraces offering space for socializing and enjoyment, and at the highest point there is a large swimming pool with sunbathing area. The house itself is designed so that each apartment has privacy and a balcony. At the same time, there is a large professional kitchen that offers the possibility of turning the house into a larger catering and hotel accommodation.

Excellent location, 2 minutes to the beach, large parking lot and yard where an additional house can be built make the house an interesting investment for a serious business.
