ISLAND OF KRK, RISIKA - Building land with an open view of the sea

For sale is a building land in the village of Risika on the island of Krk. In a very attractive position, with an open view of the sea. The land is sloping, rectangular in shape. There is a building permit for the construction of a house with a swimming pool. The permit is valid until the end of 2024, and the staking costs have been settled. With regard to the square footage and shape, it is planned to divide the plot into parcels and to build an adjacent house with a swimming pool, for which a permit must be obtained. The land has a direct entrance from the main paved road, and all the necessary infrastructure is in the immediate vicinity of the land. An exceptional opportunity to build a holiday home, 1600 meters from the first beaches. *** Dear clients, the agency commission is charged in accordance with the General Business Conditions www.dux-nekretnine.hr/opci-uvjeti-poslovanja
