Περιγραφή:

Čeline project It is located 5 km from the town of Omiš next to the old village of Čelina, 500 m from the sea and 1 km from the center of Stanići. The project covers an area of 32.000 m², of which 24.000 m² is in the construction zone and 8.000 m² is agricultural land. The land in the construction zone is intended for the construction of residential buildings, and the construction conditions are defined by the Urban Plan of Čelina. The conceptual solution foresees the construction of 40 independent buildings, each with a gross area of 250-350m², on the subject land. A county road leads to the land, water and electricity connections are in the immediate vicinity. Ownership clear and defined spatial planning conditions for quick obtaining of all necessary building permits. The immediate vicinity of the clear sea, the proximity of the town of Omiš, peace, a beautiful view of the Brač channel, resolved ownership relations and spatial planning documentation give the investor the opportunity to satisfy all his interests by realizing the project on the land in question.
