Περιγραφή:

Dicmo, a detached family house with an area of 296m² on a plot of 559m².

Functionally, the house is divided into a residential and a non-residential part, i.e. an apartment located on the first floor and auxiliary rooms on the ground floor and basement.

Basement: two rooms with an antechamber accessed via an open staircase.

Ground floor: two rooms connected to each other and used as a storage room for tools, and during the renovation it can be made into a 4-room comfortable apartment (approx. 140m²).

1st floor: apartment (approx. 140m²), consisting of 3 bedrooms (with exit to the loggia), kitchen with dining room, living room and bathroom, all interconnected with a corridor.

Access to the first floor is provided with an external staircase.

The house was built in 1970 and needs renovation.

In 2013, new PVC joinery was installed on the first floor.

The house is legalized.
