ISLAND OF KRK, TOWN OF KRK - Charming apartment close to all amenities

For sale is a pleasant apartment in the town of Krk, measuring 39 m², located in a practical and quiet area that allows for quality everyday life. The apartment stands out with its well-organized layout and a large terrace of 28 m², which provides enough space for outdoor living and a partial view of the sea, which further enriches the experience of home.

The interior of the apartment consists of a bedroom, bathroom, kitchen with dining room and a space that naturally continues towards the terrace. The installations were changed a few years ago, which ensures a tidy condition and reliability. The owner will also change the floor tiles in the bathroom before the sale, which will give the space a fresher, more modern look. Heating is provided by a wood-burning stove, which provides a pleasant feeling of warmth during the winter months.

The apartment also comes with one parking space, which is extremely practical, especially in this part of the city. The spacious terrace further increases the value of the property, offering space for relaxation or decoration according to one's own wishes.

The location is one of the key advantages of this apartment - there are primary and secondary schools, a

kindergarten and a shopping center nearby, making it suitable for families, but also for anyone who wants to have everyday amenities at their fingertips. The proximity to the center and other important services makes this property a reliable choice for living or investment.
