Περιγραφή:

Contemporary one-bedroom apartment in a modern development completed in 2023, located in the Selwo area on the New Golden Mile. Southwest facing, the property benefits from excellent natural light throughout the day and a well-designed, practical layout.

The apartment offers an open-plan living and dining area with a fully fitted modern kitchen equipped with Bosch appliances. The bedroom is en-suite and enjoys direct access to the spacious private terrace, creating a seamless indoor-outdoor living feel ideal for both everyday living and holidays.

The community is exceptionally well maintained and offers landscaped gardens, a large swimming pool, fully equipped gym, social lounge and a dedicated co-working space, making it equally attractive for full-time residents, second home owners or investors.

Ideally positioned between Estepona and San Pedro de Alcántara, and just a short drive to Puerto Banús, beaches, golf courses and all daily amenities, this is a very solid option in a fast-growing area of the New Golden Mile.
