Περιγραφή:

In the Marceau-République district, less than a 10-minute walk from Courbevoie train station (Line L), on the 7th and TOP FLOOR with elevator in a secure 1982 building, this spacious, bright, dual-aspect 4/5-room apartment offers 114 m² of living space (102.27 m² Carrez law). It comprises an entrance hall with built-in closets, a bright, SOUTH-FACING living room opening onto a LARGE BALCONY with unobstructed views, a separate kitchen with direct access to the balcony, a hallway with closets leading to three large bedrooms (a fourth bedroom is possible, plus an office), one with a TERRACE, a bathroom with a window, a shower room, a separate WC (a second WC is possible), and a storage room. This property, which requires renovation, benefits from a functional layout with separate sleeping and bathroom areas, allowing for various configurations (plans available upon request). A cellar and a parking space complete this rare property.

A second parking space is available for an additional €20,000.

The building has a bicycle storage room and a motorcycle storage room.

Individual gas heating and hot water.

Bus, shops, a daycare center, schools, and sports facilities are all within easy walking distance.
