Περιγραφή:

In one of the most scenic and fascinating locations of Torri del Benaco, in the locality of Prandine, we propose a corner villa with private garden and swimming pool, set in a reserved context surrounded by greenery, with a wide, open and impressive lake view.

The property is on two levels and is currently composed of two double bedrooms, two bathrooms, kitchen area with living room, an office area and a multifunctional space ideal as a tavern, hobby area or guest area. The rooms have a great potential and allow, through a renovation, to redesign the spaces creating a modern house perfectly connected with the outside.

The real value of the property lies in the outdoor spaces and views: a panoramic terrace with open lake view, a covered porch directly connected to the living area, the private garden and the swimming pool with lake view make this house extremely livable and suitable both as a main residence and as a vacation home.

The location is quiet, sunny and commanding, with sweeping views of the lake and surrounding mountains, giving a feeling of privacy and openness that is very hard to find.

There is also the possibility of creating a parking area with two covered parking spaces, further increasing the comfort and quality of the property.

An ideal solution for those looking for a house with important lake views, livable outdoor spaces, private

pool and the possibility of creating a charming property in one of the most sought-after areas of Torri del Benaco.
