Περιγραφή:

Feel the refinement and luxury of this residence just a few meters from GalÃ© beach, with 695 s.q.m. of living area.

Built with meticulous attention to detail, it showcases modern architecture and pure comfort and well-being.

The interior is immediately striking for its natural light, combined with the spacious open-plan living room connected to a functional kitchen fully equipped with top-of-the-line appliances.

This floor also offers two suites, one of which is currently used as an office.

Upstairs, you'll find two additional suites that share a balcony with sea views. The master suite, true to its name, features a walk-in closet and a private area for relaxation.

The outdoor space continues to impress. With a heated pool surrounded by a landscaped garden and a spacious deck, it promises unforgettable gatherings with family and friends—especially around the dining area in the more sheltered, covered zone.

In the basement, you'll find a cinema room, games room, equipped kitchen, climate-controlled wine cellar, and an additional en-suite bedroom.

There's also garage space for 3 cars.
