ZADAR, VIDIKOVAC - building land with a project.

Building land of 927 m² in Zadar is for sale, located in the quiet and attractive settlement of Vidikovac. The plot comes with an existing project for the construction of a modern two-storey villa with a swimming pool, and the application for a building permit has already been submitted, which significantly speeds up the start of construction for the future owner.

According to the project, the land is planned to be used exclusively for the construction of a two-storey villa, which ensures a peaceful environment and greater privacy. The location is suitable for family life, but also as an investment for tourist rental.

Zadar is one of the most desirable cities on the Croatian coast, known for its rich history, pleasant climate and quality of life. The city offers all the necessary amenities - schools, kindergartens, shops, restaurants and well-maintained beaches. It is especially known for its unique attractions such as the Sea Organ and the Greeting to the Sun.

The surroundings of Zadar further increase the value of this location. Nearby are numerous national and nature parks, such as Kornati, Paklenica and Vrana Lake, as well as numerous islands that are easily accessible. Good transport connections, including the motorway and airport, make Zadar excellently

connected to the rest of Croatia and Europe.

This plot represents an excellent opportunity to build a luxury villa in one of the most sought-after locations in Zadar.
