RIJEKA, HRELJIN - Building land 4037m2 in a quiet environment

We have a building land for sale, approximately 2km as the crow flies from the sea, with a sea view and a southern orientation.

The terrain consists of 3 connected plots, is gently sloping like the terrain of all neighboring houses and is located in a quiet and peaceful position on one side, while the first neighbors are family houses on the other side.

Water and electricity are close to the terrain.

The ownership is neat without any encumbrances

A future property built on this plot would have a sea view even from the ground floor, but from the first floor there would be a panoramic open view of the sea, the entire Kvarner Bay and the islands.

This property is 2.4 km as the crow flies from the sea, or 10km by car (approx. 12 min).

Dear potential buyers, we are glad that you are interested in the properties from the DUX offer.

For more information and an agreement regarding a property viewing, please feel free to contact us.

Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
