BUSINESS TRANSFER OPPORTUNITY: PREMIUM GASTRO-BAR IN FULL OPERATION

Immediate ROI | Fully Licensed | Trading Successfully Since 2019 Best-House Corner is proud to present one of the most robust business transfer opportunities in the current hospitality sector. We are offering the leasehold assignment of a modern tapas and small-plates bar, featuring a demonstrable track record of success and a strategic location. This is the ultimate opportunity for entrepreneurs or hospitality groups seeking a "turnkey" asset, fully fitted and generating active turnover from day one. Core Asset Value Licensing & Compliance: The premises feature a certified extraction system and hold all requisite operating licences. This eliminates months of bureaucratic delays and additional legal expenses. High-Specification Infrastructure: A professional commercial kitchen, fully equipped and maintained to an exceptional standard. High-capacity walk-in cold room and a dedicated logistics storeroom exceeding 9 m². Recently refurbished designer cloakrooms. Maximum Outdoor Yield: The transfer includes a pavement licence for a 16-table terrace (44 m²) a fundamental asset that secures consistent cash flow throughout the year. Interior Design & Ambience: Contemporary premises featuring exposed brickwork and timber detailing. The inviting atmosphere accommodates 6-7 high tables alongside a high-velocity service bar. Why This Transfer is a Strategic Move Elimination of Initial Trading Loss: Unlike a traditional start-up, there is no downtime for construction or licensing approvals. You are acquiring the Goodwill of a business with a loyal customer base and a reputation established over five years. All fixtures, fittings, and equipment (FF&E) are included, ensuring your sole focus is managing an already successful operation. Terms of the Transaction This business represents a secure investment due to its immaculate condition, removing the need for capital expenditure following the takeover.
