Περιγραφή:	

Village house in Benissa for renovation, located in the town centre. The property is distributed over two floors connected internally. The ground floor offers an entrance hall, one double bedroom, living-dining room with fireplace, separate kitchen with pantry, and a small interior patio with barbecue. It also features a water cistern, bathroom with shower, stable, storage room and cellar. The upper floor offers multiple possibilities: two double bedrooms, one with access to an additional room ideal for creating an en-suite bathroom and walk-in wardrobe, laundry room, and another bedroom with balcony. From this level there is access to a rooftop terrace at the highest part of the house, very sunny. A property with great renovation potential in Benissa, ideal to adapt to your own style in a central location.
