Περιγραφή:

Set against the breathtaking backdrop of the Western Algarve, on the very edge of the Costa Vicentina Natural Park, this exceptional eco-luxury villa offers a rare opportunity to own a home where refined living meets unspoiled nature. Designed for those who value both sophistication and sustainability, the property enjoys a privileged position surrounded by rolling countryside, dramatic coastline, and protected landscapes of outstanding natural beauty.

Just minutes away, the charming fishing village of Burgau and the golden sands of Praia da Luz provide easy access to some of the Algarves most picturesque beaches, perfect for relaxed seaside living. A short drive brings you to the historic port town of Lagos, renowned for its vibrant marina, excellent restaurants, boutique shopping, and rich cultural heritage offering all the amenities one could desire while preserving its authentic character.

Crafted with meticulous attention to detail, this villa has been built to the highest standards with a true no expense spared philosophy. Hand-crafted materials, bespoke finishes, and timeless design elements combine to create a home that is both elegant and enduring. Every aspect of the construction reflects quality, from the structural integrity to the carefully selected natural textures that enhance its connection

to the surrounding landscape.

Sustainability is at the heart of the property, with a suite of eco-conscious, low-energy features designed to reduce environmental impact while maximizing comfort and efficiency. These include advanced insulation, energy-efficient systems, and low-maintenance solutions that ensure effortless ownership without compromising on luxury.

This is more than a home it is a sanctuary. A place where modern living coexists harmoniously with nature, offering privacy, tranquility, and proximity to some of the Algarves most sought-after locations. Ideal for discerning buyers seeking an exceptional lifestyle in one of Europe's most beautiful coastal regions.

A rare chance to secure a low-maintenance home designed for efficient, cost-conscious living schedule your private viewing today. - REF: M/06282
