Περιγραφή:

Urban land for the construction of a building, with an approved building license and ready to start.

Located in Montenegro, Faro, in a highly valued residential area, close to the airport, beaches and with easy access.

The approved project foresees the construction of a building with 10 fractions of typologies T1, T2 and T3.

On the top floor, two 3 bedroom penthouses stand out, both with private pools and sea views.

The building will have a garage and elevator, and the apartments are designed with A+ energy certification.

Privileged location, 5 minutes from the center of Faro

Excellent investment opportunity, in an area of high demand
