For Sale 3/4 Bed House with Hangar in La Trimouille - 86

Offered for sale is this 3/4-bedroom house with attached courtyard and hangar in La Trimouille, in the Vienne Department 86.

La Trimouille is a lovely village on the banks of the Benaize river with all the necessary commerce's. The larger towns of Montmorillon and Le Blanc are 15 and 20kms away. Montmorillon having train links to Limoges and Poitiers, the latter with TGV links to Paris.

The house is end of row and the courtyard has large double gates, suitable for vehicle entry and leads to a 170m² hangar; which I would love to turn into a secret garden! But suits equally has a great workshop/maybe even a brocante with the relevant authorisation from the commune?

The house which has 175m² of living space, is on mains electricity, water and drainage. The area has fibre optic internet coverage; The house is mainly single glazed. Heating is electric radiators and a wood burning fire, the roof is in decent condition.

The house has a vaulted cellar, and the ground floor consists of an entrance hall, large living room, WC, lobby, kitchen and very large second living area. The first floor has 2 bedrooms, one with ensuite bathroom and a storeroom which could be an ensuite for the second bedroom. It also has access to the space above the large second living room and is currently used as a gym. The top floor has 2 bedrooms you can put a bathroom between the two; and a storeroom. Outside you have a courtyard accessed from the current kitchen area or the large double gated entrance, the courtyard leads to the 170m² hangar.

The house is habitable, but the renovation needs to be finished.

À vendre : maison de 3/4 chambres avec hangar a La Trimouille - 86

Nous vous proposons a la vente cette maison de 3/4 chambres avec cour attenante et hangar a La Trimouille, dans le departement de la Vienne (86).

La Trimouille est un charmant village situe sur les rives de la Benaize, dote de tous les commerces necessaires. Les grandes villes de Montmorillon et Le Blanc se trouvent respectivement a 15 et 20 km. Montmorillon est desservie par des liaisons ferroviaires vers Limoges et Poitiers, cette derniere ville etant reliee a Paris par le TGV.

La maison est en bout de rangee et la cour dispose de grands portails doubles, adaptes a l'entree de vehicules, menant a un hangar de 170 m2 ; que j'adorerais transformer en jardin secret ! Mais qui convient tout aussi bien pour un grand atelier, voire une brocante avec l'autorisation necessaire de la commune ?

La maison, d'une surface habitable de 175 m2, est raccordee au reseau electrique, a l'eau courante et au tout-a-l'egout. Le quartier est couvert par l'internet par fibre optique ; la maison est principalement equipee de simple vitrage. Le chauffage est assure par des radiateurs electriques et un poele a bois, le toit est en bon etat.

La maison dispose d'une cave voûtee, et le rez-de-chaussee se compose d'un hall d'entree, d'un grand salon, de toilettes, d'un vestibule, d'une cuisine et d'un tres grand deuxieme salon. Le premier etage comprend 2 chambres, dont une avec salle de bains attenante, ainsi qu'un debarras qui pourrait servir de

salle de bains pour la deuxieme chambre. Il donne egalement acces a l'espace situe au-dessus du grand deuxieme salon, actuellement utilise comme salle de sport. Le dernier etage comprend deux chambres entre lesquelles vous pouvez amener une salle de bains, ainsi qu'un debarras. À l'exterieur, vous disposez d'une cour accessible depuis l'actuel coin cuisine ou depuis la grande entree a double portail ; la cour mene au hangar de 170 m2.

La maison est habitable, mais la renovation doit etre achevee.
