Project Overview

Venecia Red Sea is the largest fully integrated smart compound in Hurghada, designed to combine residential, commercial, and entertainment living in one destination. Built on 207,000 sqm with only 20% construction, the project prioritizes space, greenery, and privacy. Over 75% of construction is already completed, with selected units ready for immediate delivery. The development offers modern smart living solutions, making it one of the most advanced projects in the area. With extensive facilities and strong infrastructure, it stands out as both a lifestyle and investment opportunity.
