Περιγραφή:

Excellent investment opportunity in Lisbon: fully rehabilitated building, consisting of four T1 apartments, located on a quiet street, but very central, benefiting from proximity to commerce, services, transportation, and city landmarks.

The building has undergone complete rehabilitation, combining the charm of Lisbon architecture with contemporary comfort and functionality. It has an elevator, a rare advantage in this type of property, and features very careful finishes, with quality materials and attention to detail.

The four T1 apartments were designed to offer comfort, brightness, and practicality, making this asset particularly attractive for traditional rental, medium-term, or other profitability solutions, according to applicable legislation.

Its location combines centrality and tranquility, a very sought-after combination for residents and investors, enhancing the potential for appreciation and return of the property.

An excellent opportunity to acquire a rehabilitated building, ready to generate income, in a privileged Lisbon location.
