ABOUT THE AREA

*

Limassol, the second-largest city in Cyprus, is a vibrant Mediterranean hub that perfectly blends ancient history with modern cosmopolitan life. Stretching along the island's southern coast, it is famous for its lively seaside promenade, the Molos, and a brand-new, world-class marina that attracts luxury yachts from across the globe. As the island's main port and center of the wine industry, Limassol serves as both an economic powerhouse and a premier holiday destination, offering everything from high-end boutiques to traditional tavernas.

The city's rich heritage is anchored by the Limassol Castle, situated in the heart of the old town, where Richard the Lionheart is said to have married Berengaria of Navarre in 1191. Surrounding the castle, the narrow streets of the old quarter are filled with artisanal workshops and restored stone buildings that reflect the city's Byzantine and Ottoman past. Just a short drive from the city center lie the impressive Greco-Roman ruins of Kourion, featuring a magnificent amphitheater and intricate mosaics overlooking the sea.

Beyond its history, Limassol is the undisputed festival capital of Cyprus. It hosts the island's most famous annual events, including the ten-day Carnival in late winter and the grand Wine Festival in late summer, celebrating the region's long tradition of viticulture. The city's shoreline is dotted with organized beaches and luxury resorts, while the nearby Troodos Mountains provide a scenic escape for hiking in the summer or skiing in the winter, making it a versatile year-round destination.

Nearest Airports

While Limassol does not have its own commercial airport, it is conveniently located almost exactly between the island's two main international gateways:

- * Paphos International Airport (PFO): Approximately 50 km (31 miles) to the west. It is the closest airport to Limassol city center by a small margin and is often favored by low-cost carriers.
- * Larnaca International Airport (LCA): Approximately 60 km (37 miles) to the east. This is the island's primary and largest airport, handling the majority of scheduled international flights and long-haul connections.

Both airports are about a 45-to-50-minute drive from Limassol via the modern A1 and A6 highways. Reliable 24-hour shuttle buses (Limassol Airport Express) operate frequently from both locations.
