Περιγραφή:

3 bedroom semi-detached house, under construction, located in Canico in a quiet area, stands out for its modern architecture and high quality finishes.

The social floor (0) of the house is a real highlight, with a social bathroom, with a living room and a dining room in a large open space concept, with direct access to the garden and parking.

The 1st floor of the villa is designed to ensure comfort and functionality. The area includes two bedrooms with built-in closets with a supporting bathroom. A suite, with built-in closets and private bathroom. All rooms are south facing and have direct access to the balcony.

Floor -1 consists of a bedroom, a bathroom with shower, a lounge prepared to install a kitchenette, with access to the garden and independent entrance.

If you want to have a space to monetize, this is the room in the house that will allow you to have extra income.

We also find on the -1 floor level, a laundry space and a fantastic garden with a social area and barbecue.

The completion of the villa is scheduled for December 2026
