Plot of land with 1.120m², for construction of a detached villa, with 3 bedrooms and swimming pool.

Located in an established urbanization, easy to access and very quiet, a few minutes from Meia Praia and a short distance from the iconic City of Lagos, where you can find all services, commerce and leisure. You can enjoy the best of both worlds: the residential tranquility and the bustle of a city full of character.

This magnificent plot has a project approved by the Local Council for the construction of a villa with a implantation area of 210m² and a useful area of 167m².

This is undoubtedly a great opportunity for builders or investors looking for safe business opportunity or someone that like to build their own dream home. - REF: LL066
