Περιγραφή:

An extraordinary 25-acre Belize agricultural parcel located near Frank's Eddy Village and about 6 miles or 30 minutes from the George Price Highway.

This property offers fertile soils, rich flora, and awe-inspiring views of the surrounding Maya Mountains. It is in its natural state with mature hardwood trees. Ideal for farming or a private jungle adventure home. Enough land to provide both and create a nature lover's paradise.

The Caves Branch Archeological Reserve is just a few minutes away offering caving and other exciting adventures.

At this time, a good road to the property is short of about a half mile and off-grid living is required.
