Περιγραφή:	

Nestled in the verdant, spiritual area of Ubud Sayan, this exquisite three-bedroom leasehold villa showcases traditional Balinese architecture enhanced by modern luxury. From the moment you arrive, the villa's impressive stone exterior, intricately carved wooden details, and expansive tiled roofs reflect a profound respect for Balinese culture — while the immaculate pool, carefully maintained tropical gardens, and open-plan pavilion layout provide every contemporary convenience with ease. Located in one of Bali's most desirable and culturally vibrant neighborhoods, this is a unique chance to own a slice of paradise in a region known for its natural beauty, artistic heritage, and peaceful river valley scenery.

Each of the villa's three spacious bedrooms opens directly onto the pool terrace, offering a seamless blend of indoor and outdoor living that embodies the Balinese lifestyle. The main living pavilion boasts high ceilings, warm wood finishes, and floor-to-ceiling glass doors that fill the space with natural light and perfectly frame the tropical garden views. Poolside, sun loungers are set beneath elegant white parasols, creating a relaxed, resort-like ambiance ideal for both entertaining and unwinding. Whether hosting visitors or enjoying tranquil mornings with the sounds of the jungle, every part of this villa is designed to encourage a slower, more mindful way of living.

Available on a secure leasehold title in one of Ubud's most prestigious and sought-after locations, this villa is an exceptional investment in Bali's expanding luxury property market. Ubud Sayan continues to draw a discerning international audience attracted to its world-class wellness centers, fine dining options, and close proximity to renowned cultural sites — making this villa perfect as a private home or a

lucrative short-term rental. With its superior construction, timeless design, and prime setting, properties like this rarely come to market. Act quickly — opportunities like this in Ubud Sayan are extremely uncommon.
