### Excellence through Experience!

We are pleased to present for sale a **3-room apartment** located in Chiajna – Dudu village, on Strada Tineretului, in a building constructed in **2016** with a solid reinforced concrete frame structure and brick interior walls. The building features a **lift** and secured vehicle access via a barrier gate.

The apartment is situated on the **5th floor out of 9** and includes a **private parking space** within the complex. The usable area is **66.20 sqm**, complemented by a generous **11.67 sqm terrace**, giving a total area of **77.87 sqm**. The layout is well-balanced, bright, and easy to furnish, responding effectively to the needs of a family or couple seeking comfort and practicality.

The property is sold **exactly as seen in the photos** — **fully furnished and equipped**, in excellent condition. It features a **private gas boiler, air conditioning, dishwasher**, and fully functioning appliances, making it **ready for immediate occupancy with no additional investment required**. The spacious terrace can be used as a relaxation area, an outdoor workspace during warmer months, or additional storage space — depending on the new owner's needs.

The **south-west orientation** ensures natural light throughout the day and a pleasant interior atmosphere.

The location offers easy access to supermarkets, pharmacies, kindergartens, schools, and shopping centers, as well as fast connections to Bucharest.

This is a solid, well-maintained property — suitable for both **owner-occupation and investment** — in a relatively new building, in an area of continuous development.
