Περιγραφή:	

Located ten kilometres away from Benidorm beaches and night life and romantic Altea village. This residential benefits from wonderful sea views, comunal pool and social area and houses can be personalized with some extras like private pool, private solarium, underground garage, etc. Different models to choose from depending on your needs and budget, with two or three bedrooms. Residential has been designed with most of the houses in one level so we avoid stairs inside the houses and make them more comfortable to live in.
