Περιγραφή:	

House for sale for renovation on a 600 m² plot, located just 300 meters from the sandy beach of Punta Prima in southern Torre Vieja. Built in 1979 to a high standard, the property features spacious rooms, thick walls, and excellent sound insulation. The total built area is 150 m², with 120 m² of living space. The house consists of a large front terrace, a spacious living room with a fireplace, 2 bathrooms, a separate kitchen with a utility room, 3 separate bedrooms, and a patio lounge with stairs leading to a fourth bedroom. The corner plot measures 600 m² and includes a garden with swings, pine trees, palm trees, flowering shrubs, and a storage room. The property is sold with antique furniture. Arcostec can develop a renovation project for the existing house or provide a feasibility study for demolition and construction of a new villa.
