A well-maintained apartment in one of El Raso's most sought-after residential developments, offering a generous private terrace, resort-style amenities, and an easy connection to Guardamar del Segura's beaches and everyday services.

Built in 2019, this east-facing apartment sits within Oasis Beach XII — a secure, gated complex with communal gardens, and 2 outdoor pools, and a fully equipped indoor wellness area. With approximately 90m² of living space plus a 55m² private terrace overlooking the communal pool, the layout is light, open, and well-suited to both full-time living and holiday use.
