This property is located in the Municipality of São Pedro do Sul, at a distance of 25 kms, from this city. It offers a cozy and functional environment, with an area of 53 m², distributed by kitchen, living room, two bedrooms and a bathroom. It is in good condition, with piped water, electricity and communication systems, TV and internet.

Ready to receive new residents, who appreciate the rural charm.

The property also has a fireplace in the living room, which ensures comfort during the colder months. All this surrounded by the green of nature and quiet, just 500 meters from the village of Pinho, where you have access to public transport, just a few minutes walk.

The 8,440 m² plot offers enough space for outdoor activities, or you can also extend the construction of the existing annexes. Another idea is to be able to create in these annexes, storage spaces or whatever you find convenient for your life!

In short, an excellent opportunity for those looking for a house with outdoor space or a renovation project. The location, although far from immediate commerce, favors tranquility and connection with nature, ideal for those who value a quieter lifestyle.
