Περιγραφή:	New homes in Estepona West!

We present our new development in Estepona, a privileged location where life by the sea becomes a truly unique experience. With a spectacular design, this development stands out for its spaciousness, perfect layout, high-quality finishes, and a strong commitment to sustainability.

The development consists of 38 homes with 2, 3, and 4 bedrooms, including bright apartments, stunning penthouses with a solarium, and ground-floor properties with private gardens. Additionally, with our exclusive Hogariza service, you can personalise your home's finishes at no extra cost. Our design team will be delighted to help you create the home of your dreams.

Designed with a contemporary architectural style, this residential complex is centred around gardens and green spaces, offering a resort-like experience with boutique areas to make the most of your leisure time: swimming pools, a solarium, a relaxation and yoga space, a spa with a Turkish bath, jacuzzi and sauna, an indoor fitness area, and a social lounge with a coworking space. Every detail has been carefully planned to offer you a full and balanced lifestyle.
