This modern townhouse is only a short stroll away to the open air market, grocery store, beach and the best breakfast in town without the necessity of a car. Patong is 15 minutes by car whenever you care to go.

The property has an open plan living and a fully furnished kitchen on the ground floor. There is individually controlled aircon and the house is 90 sqm internal. The white tile floor and clean modern furniture lend the space a breezy, uncluttered modernism. The lounge features a black leatherette sofa suite and a large wall mounted TV. The dining area for four sits nearby.

The kitchen is fully furnished with a stovetop, microwave and refrigerator. Generous worktops ensure plenty of space for food prep and the cabinets have ample storage. Dishware and kettle are also included.

The 2 bedrooms sit on the upper floor. Both have built-in wardrobes and are ensuite with rain- and handheld showers. The master suite has a balcony overlooking the pool terrace.

The front door of the townhouse opens directly onto the pool terrace. There are a small private area in front of the house and an ample pool terrace with deep swimming pool (200 sqm) shared by just a
