Charming stone terraced house (approx. 95 sq.m.) located in the heart of the historic centre of the medieval village of Celle sul Rigo, within the renowned spa municipality of San Casciano dei Bagni. It is in need of renovation to make it a more practical living space but could be lived in whilst carry out the work. It has two independent entrances, one giving access to the house and the other to the cellars and bathroom. There is also an internal door which gives access to the bathroom and cellars. There are beautiful views from the windows. It is made up of:

Ground floor: Through main entrance - access to storeroom, cellars and bathroom and staircase. Through second entrance - direct access to bathroom, storeroom and cellars.
