### Περιγραφή:

This is a bright , cosy home that has been so improved by the current owners , it offers comfort and practicality .

Entering in through the recently added front door you step into a welcoming lounge with its fantastic wood burning stove and open aspect to the kitchen diner , the kitchen has wood cabinetry top and bottom with granite worktops , a ceramic hob and electric oven plus a free standing fridge freezer , there is also a handy pantry area tucked away under the stairs. Undoubtedly one of my favourite features of this space is the blue dutch door backdoor and the matching window , hand made by a local carpenter both are tasteful and quality .

Out the back door the a set of beautiful tiled steps leads down to a small patio off which is the fully renovated basement , now a cosy snug this once neglected space has been turned into an attractive useable area , tiled , plastered and once again with hand made window and door.

Back in the house and on the first floor are two good sized double bedrooms and a lovely modernised bathroom with Walkin glass screeded shower , a vanity unit a loo and the washing machine , plus a hidden storage space . The second bedroom offers a fab view from the window whilst the larger one over looks

the street below.

Moving on up the spiral staircase you have access to a good sized terrace which offers spectacular views and enough space for alfresco dining and enjoyment .
