Περιγραφή:

Store with about 470 m² spread over two floors, located on the second line of the Quarteira promenade, one of the most sought after commercial and tourist areas in the Algarve.

The property has a large entrance floor of approximately 200 m², a basement of about 170 m², accessible by interior stairs, and four sanitary facilities spread over the two floors. It represents an excellent opportunity to develop a commercial concept adapted to the needs of the future owner, benefiting from a central location close to the beach, shops, restaurants and services.
