Περιγραφή:

By the Colli Euganei Natural Park, in the historical town of Abano Terme, one of the most important spa resorts in Europe, there is this prestigious complex with a tourist accommodation facility for sale. Located just 15 km from Padua and less than an hour drive from Venice, Verona, Vicenza and Bologna, this property is surrounded by its own 25 hectares of leafy grounds, offering a big forest and a large garden where the hotel's numerous facilities are located. Ideal as a sought-after venue for musical events, conferences and weddings, this former Augustinian monastery dating back to 1443 can welcome large groups of people in grand style for meetings, conferences and retreats, thanks to its wonderful cloister, numerous rooms and a renowned restaurant. The complex also includes two exclusive thermal pools, the one inside featuring a big sunbathing area, and the one outside offering heavenly views of this extremely quite area.
