Περιγραφή:

Elegant apartment for sale in Venice, with a beautiful view over the city's roofs and San Marco's bell tower. The exclusivity of its setting, in the heart of Sestiere San Marco, is just 50 metres from the famous La Fenice theatre and the Accademia bridge, in an area that is appreciated for its remarkable offer of top-level restaurants and hotels. Developed on two levels inside a prestigious Venetian building, this 250-sqm finely decorated apartment offers a spacious living room divided into two separate rooms on the first floor, a cosy kitchen and a splendid dining room with wooden coffered ceilings and a panoramic view of San Marco's belltower. Two large and very bright double bedrooms are located on the upper floor, next to a twin bedroom, a single bedroom and three bathrooms. Extraordinarily quiet despite its super central location, this apartment is characterized by finishes of the highest standing and precious materials, in line with the most prestigious estates in the center of Venice.
