Περιγραφή:	

The downstairs area comprises a light and spacious open plan designer kitchen, dining and family area which leads into the garden room, with cathedral style windows, a vaulted ceiling and access to the garden via French doors. This large, light, open plan space features a designer kitchen and quality integrated appliances; the perfect space to dine, work, entertain or relax. Downstairs also comprises a separate lounge with statement windows, a large utility room with access direct from the kitchen, the integrated garage and outside, a WC and ample storage.

To the first floor, there are four double bedrooms and one single, two of which benefit from private en-suite facilities. This floor also offers a family-sized bathroom and storage areas.

The second floor offers an additional 432 square feet of living space and would make a fantastic primary bedroom with large en-suite and dressing room, but would also work well as a home gym, games room, cinema or study - perfect for working from home.
