Περιγραφή:	Refurbished 2 bedroom apartment for rent near the Court

Come and see this apartment for rent in the center of Montijo, fully renovated, available for immediate entry.

Huge balconies on two fronts, the largest of which is closed with the sun exposure to the south, great for making it a storage space or small office.

The property has just been well refurbished, whoever enters it is brand new. 3rd floor without elevator.

It is delivered with hob, oven and water heater.

Pets are not allowed by the owner, it is necessary to provide information on the income of the proponent and also of the guarantor, a rent and two deposits at the beginning. The final evaluation will be made by the owner after these precepts have been complied with.

Quiet building, very close to the court and the Montijo health center, a short step from the historic center.
