ZADAR, PRIVLAKA - building land near the sea

On the way to Vir, in beautiful Privlaka, we are selling a building land. It is only 60 meters from the sea and 350 meters from the well-maintained beach. It is in the second row from the sea, but has an unobstructed view of it. Next to the field there is the necessary infrastructure and it is intended for residential construction. Dimensions 23x100 Privlaka is a small picturesque place on the Adriatic coast that delights with its peaceful atmosphere and beautiful beaches. Only 16 km from the urban center of Zadar, Privlaka is also close to various facilities such as National Parks and Nature Parks. Nearby is also the royal town of Nin, known for the longest sandy beaches in Croatia and its rich cultural and historical heritage. The nearest airport is 27 km from Privlaka, and the highway is only 28 km away.

Dear clients, the agency commission is charged in accordance with the General Business Conditions www.dux-nekretnine.hr/opci-uvjeti-poslovanja
